

## ESSAND Plagiarism Policy for Thesis Submission

The M.Sc. and Ph.D. programme of ESSAND are required to pass the plagiarism checking for Thesis submission.

### 1. Purpose

According to academic ethic and professional manner for research in ESSAND, all thesis's manuscript must be checked for plagiarism before graduation. This is a norm for graduate student.

### 2. Level

M.Sc. and Ph.D. candidates need to submit their thesis's manuscript for checking plagiarism and pass the ESSAND requirements before submitting to Graduate School of PSU.

### 3. Testing

Turn-IT-In software is used to be a tool for plagiarism checking. Thesis's manuscript must be separated and input to the Turn-IT-In by chapter for checking.

### 4. Completion Requirement

ESSAND requires a result of plagiarism checking using Turn-IT-In by chapter as follows:

- Chapter 1 must be less than 20%
- Chapter 2 must be less than 20%
- Chapter 3 must be less than 20%
- Chapter 4 must be less than 20%
- Chapter 5 must be less than 20%

The students will be asked to correct the thesis's manuscript until reaching the requirements before submitting to Graduate School of PSU.
