ESSAND Transportation for English Examination

- We have changed the budget from giving a 2,000-baht reward to students who improve in internal English test to support the travel expenses for English examination.
- We allow transport to the English examination (e.g. to Hat Yai) by bus or PSU van once per semester for all students.
- The memorandum form to request transport must be proposed by the president of ESSAND student union.
- Transportation to English examination must be a group of 5 students and at least 1 student from ESSAND.
- ESSAND does not support to pay for accommodation, each student has to organize this independently.
